LEAGUE

MAGIC The Gathering®

Join the pack for Arena Outpost League.

It's time to put the idea of Poker Night to sleep. Taking its place is the new Arena Outpost League™. Finally, **Magic: The Gathering**® players have somewhere to go for a regular, weekly game: the local game shop.

The new Arena Outpost League has plenty of features worth drooling over:

Anyone can be top dog.

So you don't play **Magic**® with a rabid ferocity. That's more than OK. You can still find yourself ahead of the pack in the new Arena Outpost League. The more you play—win or lose—the more points you accumulate. Yup, it's possible to win the league even if you bite.

Fetch some great prizes.

Who's the lucky dog? You are. Because the more points you earn, the more amazing stuff you retrieve. And we're not talking your run-of-the-mill prizes…you get unique land cards and other premium cards that are exclusive to the Arena Outpost League! Cool biscuits, eh?

Available in a variety of flavors.

Is Continuous Draft your thing? Or maybe Sealed Deck? We're giving participating game stores a long list of league formats to choose from, so you wouldn't be barking up the wrong tree if you suggested your favorite. Hey, if you try a format just for the fun of it, you might end up with a new favorite.
